STAFFTRACK

Next Level Compliance

98% COMPLIANCE RATE WITH HR POLICIES

Stafftrack® is a proprietary hiring and workforce management tool that brings in the right people at the right time. Our proprietary system is built for our onsite teams to help them recruit at faster than average rates and maintain fill rate percentages above 90% at all time.

CREATING PEACE OF MIND

Managing the complexity of recruiting and workplace laws and regulations can be a burden for any organization. Our team of experts stays on top of changing regulations and our technology adapts to infinite customizations of your site's unique compliance requirements. From company specific assessments to government documentation – we've got it covered.

ARE YOU STRUGGLING WITH:

- Compliance laws and regulations being complex and different at varying locations
- Constant documentation and reporting being burdensome
- Ensuring consistent practices are in place

STAFFTRACK:

- Manages compliance effortlessly – let us handle all the details.
- Ensures everyone has the same, consistent hiring to off-boarding experience
- Provides peace of mind that all compliance risks are taken care of through our detailed documentation and requirements

Stafftrack® ensures processes are followed consistently and all regulations are adhered to by your workforce. To learn more about the Stafftrack® difference, visit **meetstafftrack.com**
