GROUP

OUR TAG TEAM:

Reviews your current processes and operational requirements

Shadows subject matter experts

Validates standard operating procedures (SOPs)

As a result of these efforts, SIMOS will update or create SOPs and training materials to ensure the steps of each process are being done effectively and our performance is improved.

OUR TAG TEAM FOCUSES ON:

- ▶ Production and quality standards
- ▶ Recruiting plans
- ▶ Converting your operation to a performance model
- ▶ Training schedule
- ▶ Tracking, measuring and reporting
- ▶ Starting ramp up
- ▶ Job descriptions and work instructions
- ▶ Training schedule
